Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

It has been a privilege to have participated in your educational journey thus far. It is our sincere hope that you will continue to work toward reaching your career goals, and we wish you every success in the future.

CONFIRMATION:

It is important that you acknowledg above.	ge that you have read and understand the alternatives discussed

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness ("discharge") of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students	

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

It has been a privilege to have participated in your educational journey thus far. It is our sincere hope that you will continue to work toward reaching your career goals, and we wish you every success in the future.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness ("discharge") of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

It has been a privilege to have participated in your educational journey thus far. It is our sincere hope that you will continue to work toward reaching your career goals, and we wish you every success in the future.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness ("discharge") of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students	

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.
